[Line Rider - Mountain King](#)

I synchronized the song "In the Hall of the Mountain King" by Edvard Grieg to my first line rider track drawing everything by hand. It took me over a month of my free time to create. Hope you enjoy! Also quick warning for headphone users, the song starts off quiet and gets a lot louder.

MTV Gender Bent: Boys are Better at Math & Science

It's not every day that we get asked to combine feminism and a sense of humor in a project. So when MTV asked us to pitch ideas focused on bringing awareness to Gender Bias for their Look Different campaign, we may have actually pinched ourselves. Was this a dream project?

Welcome to My Sketchbook - The Vintage One

This sketchbook was actually a notebook used by my Grandfather during the Second World War. The paper is thin, fragile but also rich, a bit like fabric. Hmm! In this sketchbook I explored illustrations to accompany 'The Spire', written by William Golding, and regularly drew intuitively, exploring ideas and mark making techniques.

Una Furtiva Lagrima

I shot this little musical film in my kitchen over a few weeks in late 2011. It is the result of my passion for beautiful sad opera songs and my interest in the tragic destiny of a fish. It's been in festivals this year, touring Annecy, Hiroshima, Ottawa, Telluride and more.
